TREFETHEN CHARDONNAY, OAK KNOLL, NAPA VALLEY, CALIFORNIA

The Latest Iteration of a History-Making Wine.

Trefethen was one in a handful of historic wineries that had a pivotal role in putting Napa Valley on the wine map at a time when the wine world insisted French wine was king. In 1979, the French restaurant publication Gault&Millau's Le Nouveau Guide organized one of the largest wine tastings in history. Assembling representative wines from 33 countries, they held an "Olympiad du Vin", in which France was expected to triumph. The judges were aghast when Napa Valley emerged victorious with the 1976 Trefethen Chardonnay, which was declared "The Best Chardonnay in the World." A year later another competition was held in Burgundy under the supervision of Robert Drouhin, one of the most influential figures in Burgundy, and the Trefethen Chardonnay again was the victor.

This family run property is deeply involved in sustainable viticulture in Napa Valley and crafts their wines from their estate in the cooler AVA of Oak Knoll. This wine is crisp, with lovely aromas of lemon, jasmine, white peach, and lavender. On the palate, the bright acidity is supported by flavors of honeydew melon and citrus, delivering a refreshing finish.

"Trefethen Chardonnays have never been in the big and buttery camp, and those familiar with the winery style will immediately recognize the vibrant, slightly tighter construction of this firmly balanced mid-weight rendition." 91 pts - Connoisseurs' Guide to California Wine 2022

HERMANN MOSER GRÜNER VELTLINER, PER DUE, KREMSTAL, AUSTRIA 🌱

This is an ancient variety descended from Savagnin and grown in/around the Austrian alps for a thousand years.

The Hermann Moser Winery is run by Martin and his wife Carmen Moser, the 26th generation of the family producing wine from the family vineyards. The estate is nearly 400 years old and is located in the Kremstal wine-growing region in Lower Austria. Per Due comes from several Wolfsgraben's vineyard sites, the Wolfs Den, is nestled in a scenic area and has a long history. Archives from 1284 describe this vineyard as being located against a slope, with a rich loamy soil.

Fruity with flowery notes and spice on the nose. In the mouth it is luscious as well as crisp and well structured with the typical fruity notes of Grüner Veltliner: peach and apricot with some spice and citrus and a nice minerality. The grapes are handpicked and the must fermented in stainless steel temperature controlled tanks. The winemaker, working with minimal intervention, strives to express the nuances of the terroir in one of the oldest wine growing regions in Europe.

PINOT GRIGIO, BOTTEGA VINAIA, TRENTINO, ITALY

Known for consistently producing the highest quality grapes year after year, this distinctive group of family-farmed vineyards was the source of inspiration for Bottega Vinaia, an exceptional line of estate-bottled, artisan wines that reflects the authenticity of the Trentino terroir.

On the nose, this Pinot Grigio is Highly aromatic with distinct citrus and floral notes.

It features an alluring floral perfume, of an intensity and persistence rare in a Pinot Grigio. On the palate, fresh, and flavorful, with a firm structure, leading into a beautiful lingering finish. This Pinot Grigio displays character, bright freshness, and finesse!

CAYMUS-SUISUN “THE WALKING FOOL,” SUISUN VALLEY, CALIFORNIA

This new blend is produced from Suisun Valley, a remarkable AVA that has become the Wagner family’s second home. Just 30-minutes from Napa, Suisun has ideal soils and climate for a variety of grapes. The Walking Fool is named after a long-ago relative who was often seen traveling by foot – thus earning this affectionate moniker. Winemaker Jenny Wagner uses Zinfandel and Petite Sirah, to make a wine that is smooth and lively, with notes of juicy raspberries as well as of a hint of espresso with softly fine tannins.

RODNEY STRONG MERLOT, SONOMA COUNTY, CALIFORNIA

Rodney Strong Vineyards was established by noted American dancer Rodney Strong over 60 years ago. During his time dancing in France he fell in love with great wines and decided to get into the wine business. Back then it was only the 13th bonded winery in Sonoma. He had a hand in establishing both Chalk Hill and Russian River Valley AVAs making him an important pioneer for both regions. Both the winery and vineyards are certified sustainable by the California Sustainable Winegrowing Alliance.

This supple, soft, rich, mouth filling Merlot. With Plum, Cherry and Blueberry flavors and a touch of dried herb, are enhanced by aging 20% of the harvest in new French Oak barrels for a toasty, spicy vanilla character, and a lingering berry-cream complex finish.

OUTERBOUND CABERNET SAUVIGNON, ALEXANDER VALLEY, CALIFORNIA

Medium to full in body, this wine is filled with flavors of black currants, blackberries, raspberries, rosemary, plums and baking spice blending seamlessly with plush tannins that linger until the next sip. The beautifully intricate Outerbound wine label is also worth mentioning. The family hired a local artist to create wood carvings, and then used the design as a “stamp” to depict the different regions they source the grapes from.

The winemaker behind this award-winning wine is Phillip Dube. He is supported by the 6th generation of the well know Phillips family (owners of Michael David Winery) the children of brothers Michael and David Phillips.

UNSHACKLED CABERNET, CALIFORNIA

The Prisoner Wine Company, known for its defiantly different blends with visually provocative labels, introduced Unshackled, in January 2020. Developed by Director of Winemaking Chrissy Wittmann and her winemaking team, Chrissy employs her renowned method of blending nontraditional varietals to develop Unshackled’s unique style for those who think, create and drink differently.

“Fans” of The Prisoner Wine Company will recognize something special in Unshackled, which blends together familiar varietals from California’s premier wine regions to create a distinct Cabernet with a personality all its own.

Unshackled Cabernet is blended with grapes from California’s Central and North coast regions.
