

TOP 10 WAYS TO MAXIMIZE THE MULTIVERSE

1. **Buy your tickets online!** <https://tickets.meowwolf.com>. Guests can purchase tickets online at a specific hour of the day. This greatly reduces your wait time (average wait time: 10-30 min). You can select from any check-in time that is not sold out, up to 15 minutes prior to the hour's check in time.
2. **Arrive 10 minutes early.** We recommend you arrive 10 minutes before your check-in time and stand in the pink line (for online tickets). The blue line is for stand-by tickets (those who have not purchased online).
3. **Arrived without buying online?** You still can go to <https://tickets.meowwolf.com/> on your mobile phone and see if there are tickets available for the time you arrived. If not, buy for the next available time slot that works for you.
4. **Use a Rideshare / Lyft / Uber / Public Transportation if you can.** Parking is sometimes a bit tight around Meow Wolf. You can also take the #2 Bus south on Cerrillos to Calle del Cielo. Walk west on Calle del Cielo and look for the giant red robot in our parking lot! Please note: we do not allow RVs, trailers, or oversize vehicles parking in our lot.
5. **Make sure your whole party is together when you check in.** All wristbands will be applied at the time of check-in, and anyone missing from your party will not be able to pick up their wristband at a later time. If you are planning a visit and think members of your group might be arriving at different times, we suggest ordering tickets separately.
6. **Small children? No problem.** Meow Wolf Santa Fe is appropriate for all ages, and children ages three and under enjoy free admission. Kids cannot go alone - anyone under 14 will need to be accompanied by an adult over 18. And no, it's not scary. There may be parts of the exhibit that kids might not like, but nothing is intended to be scary.
7. **Feel free to bring your camera.** Photos are permitted and you may take as many as you like! Photos and media taken inside of Meow Wolf are permitted for personal use only. The display or sale of any such media is strictly prohibited.
8. **Plan to be in the exhibit for 1-3 hours.** There's a lot to explore and there is no time limit. Once visitors are inside the exhibit, they are free to explore *House of Eternal Return* at their own pace.
9. **Leave your strollers and backpacks at home.** These are not allowed in the *House of Eternal Return* due to the sometimes intimate layout of the space and large number of visitors. You may check your backpack at the front desk. We ask that you choose an alternative method of carrying your baby that is comfortable for you and your party.
10. **Missed your check-in time or no longer can make it?** Please email us at help@meowwolf.com or call (505) 395-6369 to discuss your options.
