New West

La Fonda on the Plaza is not only a destination of New Mexican culture sitting in the heart of Santa Fe's historic plaza, but also a living history lesson of the Old West. For decades now, it's been the gathering place for community events including galas, parties, the famous Fiestas de Santa Fe, weddings and anniversaries. And now, it will be your next travel destination.

Rated in 2017 as one of the top 5 hotels in the Southwest by *Condé Nast Traveler*, this 4 Diamond property offers beautifully appointed rooms and stylish Spanish Pueblo architecture. The La Fonda has 180 newly renovated, unique guest rooms and suites, including 15 luxury rooms built around a private rooftop terrace with breathtaking views of Santa Fe and the Cathedral Basilica of St. Francis of Assisi. All the rooms feature original Santa Fe style paintings and hand crafted furniture.

The rooms are serene, but you'll also want to experience the bliss of the hotel's amenities, including a year-round swimming pool and hot tub and a newly remodeled fitness room. Or, book a room on the private concierge floor, The Terrace, where the balconies and private outdoor hot tub can be enjoyed under the starry New Mexico night sky. Plus, coming this summer, the massage room will be expanded into a full-service spa overlooking the pool with three treatment rooms offering massages, spa rituals and energy and body treatments.

If you can bear to step outside the stunning doors, you'll find yourself minutes away from fantastic downtown shops, museums, art galleries and world-class restaurants. That is, after you try La Fonda's three unique dining options, such as the chic La Plazuela featuring innovative New Mexican cuisine, the Bell Tower, an open-air seasonal bar, or dance the night away in La Fiesta, which features casual fare and over 25 tequilas for your sipping pleasure.

When you come to La Fonda, you may never want to leave. Contact 505.982.5511 or visit lafondasantafe.com
